17th March 1934]

APPENDIX I.

[Vide answer to question No. 791 asked by Mr. M. B. Rangaswami Reddi at the meeting of the Legislative Council held on the 17th March 1934, page 366 supra.]

Names of municipal councils working at a deficit.	Steps taken by the Government to rectify the same.
1 Hindupur	The deficit will be met from the surplus opening balance and by a curtailment of expenditure.
2 Vaniyambadi	The council works at a surplus but, owing to a deficit opening balance, the closing balance also is expected to be a deficit one. The council has been advised to reduce the expenditure so as to cover the deficit.
3 Walajapet	The council has been advised to reduce its expenditure.
4 Bellary	The council works at a surplus but, due to the opening balance having been a deficit one, the closing balance is expected to be in deficit. The commissioner of the municipality has been told to collect the arrears briskly and to wipe off the deficit.
5 Saidapet	It works at a surplus but it had a deficit opening balance in consequence of expenditure on capital works in past years. A loan of Rs. 27,000 has been sanctioned to the council in the current year and the deficit will be made up.
6 Chittoor	The deficit in working will be made up from the surplus opening balance. The council has also been asked to make retrenchments in expenditure.
7 Coimbatore	The deficit in working will be met from the surplus opening balance. The Council has also been asked to make retrenchments in expenditure.
8 Parlakimedi	Do. do.
9 Narasaraopet	Do. do.
10 Nandyal	The question of permitting the council to divert special funds temporarily to meet the deficit and of taking adequate measures to place the municipal finances on a stable footing is engaging the attention of Government.
11 Palni	The council started the year with a deficit and expects to work at and close with a deficit. It has been permitted to divert water and drainage fund temporarily and told to reduce its expenditure.
12 Cannanore	The deficit in working will be met from the surplus opening balance. The Council has been asked to retrench its expenditure.
13 Tellicherry	Do. do.
14 Kumbakonam	Do. do.
15 Mannargudi	Do. do.
16 Tinnevelly	The council expects to make up the deficit in working from its surplus opening balance.
17 Nellore	The deficit in working will be met from the opening balance. The council has been told to retrench expenditure.
18 Srirangam	The council works at and expects to close with a deficit. It has been told to retrench expenditure and augment its revenues.
